Check in: 3:00PM (Not possible after 6:30PM) Check out: 11:00AM. We could allow an early check-in (however, not before 10:30AM) if your assigned apartment was not occupied the night before. If there were guests the night before, we could do the check-in paperwork after 10:30AM, but you would have to keep yourself and your luggage away from the apartment until it is cleaned. We recommend afternoon arrivals and will do check-ins until 6:30PM.

We will check you in at our Tamarindo Estates office. It is an easy 5 minute drive from the airport, and a couple of more minutes from the ferry dock. If you have also reserved a rental vehicle, once you get into Culebra the wise thing is to first pick up the rental vehicle in town and drive it yourself with your family to Tamarindo Estates.

If you opt not to rent a car, the taxi fare from town to the resort is about \$3-5 per person. If there is no taxi near the dock or airport when you arrive, call them over the phone.

The easiest way to get to Culebra from Puerto Rico is by airplane, a 35 minute flight from San Juan, P.R., or a 12 minute flight from Ceiba Airport, P.R.
